## Betty Sides 289 and 673

Two City Highs and Her First 600 Series

### ROSE BOWL

**Rosy Bowlers:** — Betty Sides, a 147 average bowler really exploded last Thursday. Opening with a better than average 167, she struck out to post a 217 middle game, then opening her last game with a ten-pin tap and a spare, she began hitting both sides of the head-pin high for strikes and never quit till the last toss in the tenth when she got nine pins to make it the top game in the city, and one pin less than the top for the men, Camero's 290. The big 289 also gave her first 600 series in three years of bowling, the 673 that tops the Omaha women bowlers so far this season.

Her 289 game also helped her Nifty Bar team win the only game from Hirsch Box as Gordons, Country Club, Louis, Wat-

kins and Frinks all also won two. Helen Kiger 527, Marge Culmsee 194-519.

### Voyles' 625 Tops 4-600's

### Krause Rec'd 269-632

#### AMES BOWL

**Matinee Idols**—Ralph Krause record 269-632. Marcia Schellenberg 205 record 509. Lucille Krause record 211, 502. Clara Nilius 201-500.

## Surprised All

Betty Sides

### Cab Nocita Fires a 300

#### PAPIO BOWL

Anthony "Cab" Nocita, co-owner of the Papio Bowl, in a pot game after the leagues last Thursday, took the wind out of the other boy's sails when he fired 12 straight strikes at them in the first game, and it was enough for Jack Malone and Earl Delafield. It was the best game of Cab's colorful bowling career. Too bad it couldn't have happened in a league!

### Thanksgiving Day Sweepers Planned

**West Lanes:** — Two sweepers using the new Thomson Handicap system, so well liked in the weekly sweepers here, are planned for 10:00 A.M. and 3:00 P.M. on Thanksgiving Day.

**Forty Bowl** — Two Handicap swags, are planned for Thanksgiving Day here, one at 10:30 A.M. and the other at 7:00 P.M. \$2.50 and 50c optional scratch pot.

### Music Box and Sokol Install Automatics

The Music Box is now in the process of installing 10 Brunswick Automatic Pinsetters in the east section of the lanes and will be completed before the Ladies Midwest Tournament opens next week. The other 12 will be installed soon after the tournament is completed.

The Sokol Alleys will begin installing their six AMF automatics next week and are expected to be through in a week.

It seems Automatics are the answer in a bowling alley any more, and the house that does not have them, is the one that loses many lines that Automatics could get for them for lack of pin boys.

### Shirley Garms Rolls 713

Brunswick Advisory Star Bowler Shirley Garms of Chicago has a whopping new high series to add to her individual string of bowling records.

Shirley, whose previous high sanctioned series was 697, rolled the 713 total in a recent TV match on WCCO-TV in Minneapolis. She put together games of 229-226-258 to overwhelm her local opponent Chuckie Martin who rolled a 556 series.

This season is shaping up as one of the best in Shirley's career as a tenpin big-leaguer. Earlier this year she was voted Chicago's Queen of Bowling for the second time and more recently she qualified as an All-Star tournament entrant by winning her fifth city match game crown. She has competed in seven previous All-Stars and has failed to reach the final only twice.

## Bud Currie Fires 715 Schlitz Beers Take Classic Lead

### League Moves to Chops

#### PAPIO BOWL

**Gate Cities Classic:** — The men's Classic League said goodbye to the Papio Lanes in Papillon with the most outstanding scoring spree seen in years. The next six weeks will see them oowling at the Chop's Bowl.

As Bud Currie of the Storz Beer team topped the scoring with 247, 235 and 233, for a record tieing 715, equalling George Miller's mark, 21 other bowlers posted series of 600 or better, including a 223-256-685 by Cliff Zocholl, and a 221-226-234-681 by Curt Stricker. There were three team series of better than 3000, led by Storz Beers 3016, and eight games of 1000 or better, led by Neal Tires' 1075. And 72 games of 200 or better paced by Glenn Wilson's 257.

With Ray Howell pacing with 623, and Jack Hoyt with 221-603, the Co. Props' 1025, where Roy Zorn got 224-616, and Al Weis 223-634.

Storz Beers, with Currie's 700, Pfeffer's 235-619, and Hansel-

man's 600, shutout Anderson Bowl despite Coffman's 236-222-637, and Chambers' 224-603 as Storz opened with a 1062. The Fuchs Mehy, losing the first to Thomas Plbg. and winning the odd one with 1002 as Brannen got 228-610, and Versiackas 254-649 as they tied the Metro. Props.

Zocholl's big series only helped Budweiser Beers to one win over Town House a one pin win 1012 to 1011 after a 1022 by the Town House who posted 3005 as Pat Payne shot 232-233-666, and Cooley 616. And so it was with Curt Stricker, his big series only helping win one for Neal Tire Store against Mainelli Construction Glenn Wilson's 257-642 helping post the nightcap 1075, as Mainellis with a 1033 middler posted 3003 as Polito got 608, Tony Cappello 244-614, and Nocita 607.

Other top games: Bilyeu 225, Long 221, Tomanek 220, Pulverente 224, Devine 223. The boys leave Papio Bowl with a fine list of averages paced by five 200 or better averages, Telle's 204, Currie's 203, and Miller, Bisbee, and Versiackas with 201. Also with enviable season records so far of 285 by Pahl, 715 by Miller and Currie, 1115 by Town House, and 2094 by Masters Realty.

Hamburg's Duane Thomas

Defeats Judy Jacobs on

Bonus Bowling TV Show

The two week reign of Judy Jacobs of the Bonus Bowling KMTV show from the Twin City Bowl came to an end Sunday after beating John Jordan of Omaha 192-180, she met Duane Thomas of Hamburg Iowa who had defeated Roy Saunders of Co. Bluffs 212-167.

Duane shot steadily and went ahead when he doubled as Judy had her first error. He only had a one pin advantage, but when late in the game Judy drew a split it sealed her doom.

An array of stars fresh from All-Star competition will be seen in action next Sunday, all of them state finals winners.

Alan Meyer of Grinnell, Iowa, George Miller of Omaha, and Ray Howell of Co. Bluffs.

Plath and Hild Win on

Strike It Lucky at the Rose Bowl KETV Show

Both Bob Fair and Bobbie Snodgrass lost their crowns Sunday on the Strike It Lucky at the Rose Bowl KETV Show from the Rose Bowl. Bob could only muster one strike as his ball didn't seem to have the power it had last Sunday, but it was better than Lee Duffey's for he couldn't even get one.

While Vince Devine got two, But Hugo Plath showed them the way with four that included one double, out of his nine chances.

The girls did better than the men in general, champ Bobbie getting three strikes in her nine chances, and Sandy Grego though somewhat wild got two, while Ruth Hild equaled Hugo Plath's feat of four out of nine.

## B.P.G.O. NOTES by H. H.

Mrs. Marion Ladewig of Gr. Rapids, Mich., and Billy Welu of St. Louis, Mo., will defend their titles in the 19th Annual BPAA All-Star Bowling Tournament which will be held from Wednesday, January 6, through Friday, January 15, in the Omaha Civic Auditorium, Omaha, Nebraska.

Mrs. Ladewig, who won her seventh All-Star crown in easy fashion in last year's even in Buffalo, will pace a field of 96 women who will be shooting for a top prize of \$5000. Welu, who edged fellow St. Louisian Ray Bluth in a thrilling finish last January to win the All-Star title by slightly more than one Petersen point, will lead the 240 male entrants who will be aiming for the record \$10,000 first prize in bowling's richest match game event. The 336 bowlers will be shooting for a total prize fund of \$60,000.

Competition in the 19th annual BPAA All-Star Tournament will be conducted on 24 new lanes which are being installed in the Auditorium by the Brunswick-Balke-Collender Co. Fully automatic equipment will again be used for the All-Star as will the large easily-viewed scoreboards which have proved so popular with the spectators in the last two events.

The field of 336 bowlers will consist of qualifiers from almost every state in the country plus 21 men and 12 women who were exempt from qualifying because of their successes in previous All-Star and other BPAA National Tournaments.

Included on the men's seeded list are: The 8 top All-Star finalists from last year including (plus Welu) Lou Campi of Dumont, N. J.; Joe Joseph of Lansing, Mich.; Tom Hennessey, Ray Bluth, Don Carter and Harry Smith of St. Louis; and Bob Hitt of Livonia, Mich. Past All-Star champions Buddy Bomar of Chicago, Steve Nagy of St. Louis, Dick Hoover of St. Louis, Joe Wilman of Berwyn, Ill., Junie McMahon of Fairlawn, N. J., and Bill Lillard of St. Louis. Members of the two top teams in the BPAA Team Championship — Dick Weber, Chuck O'Donnell, Woody Hulsey, Jim Schroeder, Pat Patterson, Buzz Fazio, and Carl Richardson, all of St. Louis. The top BPAA Doubles champions—Carter and Hennessey already listed, Glen Allison and Joe Kristoff of Chicago.

Joining Mrs. Ladewig on the women's seeded list are: last year's All-Star runner-up, Donna Zimmerman of Akron, O., past All-Star Champions Sylvia Wene of Philadelphia, Anita Cantaline of Detroit and Merle Matthews of Long Beach, Calif. Mrs. Ladewig's partner in the BPAA Women's Doubles Championship, Laverne Carter of St. Louis; and members of the current BPAA Team Champions, Marge Davison, Dolly Konwinski, Pat McBride, Charlotte Kardas, Eloise Van Geest, and Sandy Gieschle, all of Grand Rapids, Michigan.

The remaining 219 men and women have been chosen in state and local match game tournaments throughout the country. In addition to naming qualifiers for the All-Star, these tournaments also name the local or state match game champions in many instances.

The final 336 bowlers who assemble in Omaha during January for the All-Star will be the cream of the crop of a field of All-Star aspirants that originally numbered more than 7,500. Omaha entrants include Tony Verslacks, Bud Currie, Geo. Miller, and Clare Hansen; Bill Koehler from Lincoln com-

pletes the Nebraska contingent. The entire field of 336 bowlers will bowl in a special "All-Star Prevue" individual event which is slated for Wednesday, January 6. Each bowler will shoot two games with cash prizes going to the best individual scores.

On Thursday, January 7, the 240 men bowlers will shoot their first six-game qualifying block while the 96 women will shoot their first four-game qualifying block.

After this is repeated Friday, January 8, and Saturday, January 9, the women's field will be cut for the semi-finals with the high 48 scores, based on total pin-fall for 12 games, qualifying for the semi-finals. The women will then shoot 8 games on Sunday, January 10, and four more on Monday, January 11, in the semi-finals. After the semi-finals, the top 16 women (based on total pin-fall for the 24 games) will meet in the finals which open on Tuesday, January 12.

The men will shoot additional six game blocks on Friday, Saturday, and Sunday, January 8, 9 and 10, before the field is cut for the semi-finals. At the end of 24 games, the high 96 bowlers, based on total pins for the 24 games, will roll in the semi-finals on Monday, January 11. The men will shoot 12 games in the semi-finals with the top 16 bowlers (based on total pins for the 36 games) eligible for the finals which will begin on Tuesday, January 12.

In the finals, each of the 16 women finalists will bowl 18 2-game matches—one against every other finalist, plus a final position round on Friday night, January 15. The men will bowl 16 four-game matches in the same fashion as the women.

Scoring in the finals will be on the Petersen point system with one point being awarded for each game won plus an extra point for each 50 pins that are knocked down. In the event a bowler loses a majority of games while out-totalling his opponent he will receive an extra 1/2 Petersen point.

The final action of the 19th All-Star will be carried coast-to-coast on the NBC television and radio network, with 432 stations beaming the exciting finish to the entire nation.

## Berger, Krumski Hurt

Two of Chicago's leading bowlers were injured within two days of each other. Carl Berger suffered serious injuries in a head-on auto crash when he was on his way to the city match game championships, but at last reports was recovering nicely. Two days earlier, on Oct. 9, Paul Krumski lost the tips of three fingers in a power mower accident at his home. The injury to his left hand was expected to sideline him two weeks.

## ADVICE to a frustrated BOWLER

—Charlie H.H. Cheezball

Dear Charlie:  
Last Thursday in the Greater Omaha, I had 127 in the fifth frame but wound up with only 199. What went wrong?

—Rod HineLine

Dear Rod:  
You didn't know it but Justin Priesman was standing behind your alleys.

Charlie

Dear Dr. Cheezball:  
A week ago I got a 698 series but you didn't acknowledge it in your column. Are you mad at me?

—Ray Winkler

Dear Ray:  
I just plain forgot. Folks, if it hadn't been for a little coccidi-osis of the 10 pin, Ray would have had a 700.

Dear Dr. Cheezball:  
I have been practicing a lot and feel I am ready for the Classic League again, but Sam Katzman, captain of the team I want to bowl on, won't give me a tumble. Why?

—Roy Dean

Dear Mr. Dean:  
I would advise you to go find the Fountain of Youth first. Confidentially, Sam wants to be the patriarch on that team.

Dear Charlie:  
Vern Capalite scares me to death. He gets 5 in a row and then pulls out his pocket knife and viciously attacks his thumb hole with it. What is that a sign of?

—Bob Kracher

Dear Bob:  
This is a tough one. I went into conference with that eminent psychologist Dr. J. Priesman and we concluded that Cap can't stand prosperity and cuts the hole to upset the balance of his ball.

Dear Mr. Cheezball:  
My daddy bought me a brand new ace bowling ball last week and the first time I played him I beat him 168 to 166. Now he is mad at me. What shall I do?

—Jimmy Fackler

Dear Jimmy:  
Use your head Jimmy. If you see you are going to beat him, gutter the last two frames. Never show up your daddy.

Dr. Cheezball

## ABC Masters Tournament Passes Entry Midpoint

The 1960 ABC Masters tournament already has passed the halfway point in entries although the tournament doesn't begin until next May 7.

The Masters, 10th annual since the 1951 inaugural, is scaled to 432 entrants for the eight games of qualifying that will be held May 7-8 on the ABC tournament lanes in the Toledo Sports Arena. The midpoint of 216 paid entries had been received on Oct. 19 and since then the paid entry figure has risen to 250.

Entries for the 1959 Masters were closed last year on Dec. 13, some four months before the tournament opened. To ensure a spot in the 1960 event, bowlers should rush entry fee of \$40 to ABC Tournament Headquarters, Toledo Chamber of Commerce building, 218 Huron St., Toledo 4, Ohio.

First prize has been doubled to \$2,000. The next seven prizes have been raised substantially also, to \$1,500, \$1,200, \$1,000, \$900, \$800, \$700 and \$600. In addition, each four game match victory is worth \$40. The champion will bowl a minimum of seven matches if he goes unbeaten through the double elimination tournament, so first prize will earn him a minimum of \$2,280 plus a watch and trophy.

## ABC Champs Nominated For St. Louis Awards

Seven American Bowling Congress tournament champions, three of them current, are among the 70 sports figures who have been nominated for the Outstanding Sports Figure award presented annually by the St. Louis Elks. The nominations were made by St. Louis area writers and broadcasters.

The bowling standouts include Gib Fischbach and Barney Vehige, 1959 ABC doubles champions, and Ray Bluth, the Masters tournament titlist. Past champions on the list are Tom Hennessey, 1958 Masters winner, and Steve Nagy. Harry Smith and Billy Welu, members of the 1958 team champion Falstaffs.

Other bowling nominees are: Dick Weber, Paul Thompson, Homer Godat and Whitey Harris.

The Elk's winner last year was Don Carter.

## 192 Super Stars Named in World Invitational

Chicago, Nov. 12—A total of 192 super-stars of bowling—128 men and 64 women—were named to compete in the third annual World's Invitational Match Game Championship Tournament in Chicago Coliseum December 2-11.

The big tournament is to be bowled on 16 new Brunswick lanes, now being constructed in the Coliseum under the direction of Joe Norrils, Hall of Fame bowler and director of Brunswick's customer relations and special installation departments.

As usual, the big show will open with a special preview event, The Parade of Champions, the evening of Dec. 2 when the entire field will compete for a special \$3,000 purse. Championship competition proper will open Dec. 3 at 10 a.m.

For four days the men will bowl six games apiece, and the women four games each day. At this point the fields will be cut to the high 47 scorers in each division, plus Lubanski and Mrs. Grubic, who are exempt from qualifying but are required to bowl the full distance.

On Monday, Dec. 7, the men survivors will bowl 12 games, the women will bowl eight. The 15 highest scoring men over the full 36 games of qualifying, and the high 15 women over the 24-game route will move up with the champions for the four days of match game finals.

In the finals, each man will bowl 16 four-game matches and each woman will bowl 16 two-game matches. Standing are determined on the Petersen Point System which awards one point for each game won and one point for each 50 pins scored.

An indication of the power of the field, headed by all 16 finalists of 1958 in each division, is apparent from a look back at the tournament of a year ago. Then it took an average of 191 for 24 games to qualify for the women's finals, and a 26-game average of just under 210 to reach the men's finals.

Lubanski hit an astonishing average of 213.80 for the full 100 games, an all-time record, after setting a qualifying mark of averaging better than 216 for the first five days.

Marion Ladewig, Grand Rapids, the 1957 champion, set all-time women's scoring records last year, averaging 213 for the 24 qualifying games, and 203 for the full tournament distance of 56 games. She is, of course, among the top favorites in the field for this year's battle.

Pauline Bickel is the only Omahan invited to bowl in this super-tournament, has accepted and will bowl.

### Probably was Elected on Split Ticket Too

The mayor of East Lansing, Mich., Max R. Strother, didn't suspect a thing when he opened his league session the other day with a 172 game and followed with a 184. Then he had a once in a lifetime third-game—eight consecutive splits from the first through the eighth frame. This topped by one the record established on Jan. 3, 1958 by Larry Westby at Sioux Falls, S.D. The unhappy mayor, who of course had never seen anything like it in his 28 years of bowling, didn't convert any of the splits and wound up with a 92 game.

His sympathetic teammates on the Exchange No. 1 club of the Kiroliex league probably gave him one consolation, however, if they pointed out that he should run for election next time on a split ticket."

May you have a blessed and happy Thanksgiving. Remember to thank the Lord for your blessings and say a prayer for those who are ill or in need.

Esther and Edgar Kistler and Ardes and Roy Hale are taking a trip to Phoenix, Arizona during the Thanksgiving holidays.

Catherine Williams, of the Insurance Women's league, scored a first. Her daughter, Mrs. Tom Hardy, presented Catherine with her first grandchild, named Master Thomas Allan Hardy. Mrs. Hardy not too long ago was one of Claire Brown's Junior bowlers. Congratulations to the parents and grandparents.

Our sympathy to Caroline Pecha whose father, W. J. McAnay, passed away on Nov. 14th.

Members of the Chop's Dinner Club league express condolences to June Kamarsky and Betty Rier on the death of their mother and grandmother.

Matt Elder is ill and is in the Mercy Hospital. He is a member of the Guys & Gals at the Twin City Bowl. Remember him with a card.

The Sunday Supper Mixed league at Farnam Lanes held a surprise baby shower for Audrey Kasal. The gals oh'd and ah'd at the gifts and the fellows oh'd and ah'd after a delicious repast served by the ladies.

Our sympathy to Lucille White on the death of her brother.

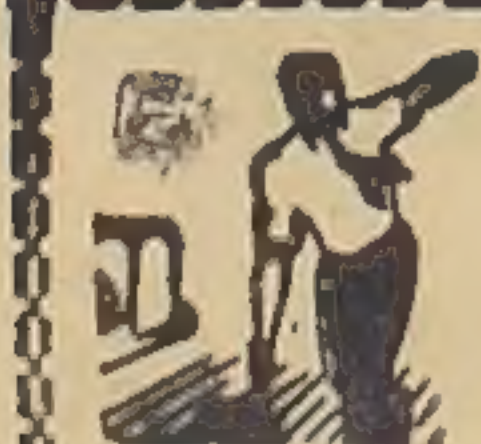

Mrs. Arne Moluf fell a couple of weeks ago, bowled the following week and was bothered with a pain in her side—found out, after a trip to the doctor, she had a couple of broken ribs—so she will be out of the game for awhile.

Jan Van Hoenecker will be out of the line-up in the Alley Dusters league at the Classic Bowl for some time due to a back injury. Lucyle Lassek was in an automobile accident and is in Clarkson hospital.

Catherine Kluza pulled a leg ligament and will be unable to bowl for a few weeks.

On Nov. 19th, the Rose Bowl was agog with excitement. Betty Sides, a 147 avg. bowler in the Rosy Bowlers Matinee league, was happy with her 167 opener; overjoyed with a 217 second game (a record) and then came the third game. Betty opened with a spare and fired ten straight strikes and a 9 pin closer for a 289, top game for the ladies this season; one pin under men's high and tied men's second high game. She totaled a 673, her first 600, third high for the gals this season. Congratulations to Betty and an orchid to Leo Weitz of the Rose Bowl, who presented Betty with \$100 as a reward for her fine performance on the "Strike It Lucky" show, last Sunday.

Frieda Dugick, of the Koffee Klotche league at the Forty Bowl, missed an all spare game as she spared all the way, converting a split in the fifth, but left the ten pin in the tenth for a 179.

Well what do you know—the Classic Junior league held its own with the veteran leagues at the Classic Bowl. Gary Groberg, 148 avg., posted 245-623 and John Bouska missed 600 by four pins with a 235-596. Brad Epstein had 235—pretty fine bowling for a group of lads.

Hurry! Hurry! Hurry! The 600 Club Turkey Shoot entries close on Dec. 5th. Call Alice McAuliffe at JA 1100 or at 1974 or Vi Schade Ex 2194 or WA 3302.

"Beedsy" Constantini, daughter of Angie Constantini, has a beautiful new diamond ring. No plans yet but Claire Brown says, "I'll bet it's soon."

The Derby Bar team of the Farnam Saturday Mixer league is having a big week end after Thanksgiving. Ron Pullen, captain of the team is Marrying Marge Moon. Al and Marge Italia, of the same team celebrate their 6th wedding anniversary, and Al and Ken Smith also of the same team will be Ron's wedding ushers. Yessir, Nov. 28th will be a night to remember for the Derby Bars.

Barb Jockelm of the Vess team, with a 117 average, was really thrilled when she picked up the 4-7-10. Nice shot for anybody.

Judy Jacobs has added a lot of color to the Bonus Bowling show. There are not too many viewers turning off their sets after the first or second game, to retire. She is keeping all of us awake, waiting to see who she will defeat next. She is still the champion. Tune in on KMTV at 10:15 p. m. next Sunday for an exciting evening. Will Judy win again?

I had orders from the Editor to cut down—ran out of space last week and had to hold out a few leagues (will be in this week) With the All Star, Midwest Tourney and many important local and national events space will be short. Don't forget to mark the wins on the average sheet.
